

Hello! We are very excited to announce the program for our upcoming postgraduate workshop for this year's NZPSA. The workshop will take place on November 30th, from 10am, in lecture theater 3 in the Owen Glenn Building (12 Grafton Road). The schedule is below.

We're also holding a lunch workshop on December 3, where Professor Laura Shepherd will be discussing the usage of social media in academic branding and career advancement.

You'll find a map, the schedule, and a host of other pertinent information in the NZPSA conference booklet, available here: <http://nzpsa2014.org.nz/>

In the meantime, feel free to contact me if you have any questions.

Best,
Paul Kramer
